1. You sent us this mailgram and asked that we prepare HN reflecting GSA guidance.

2. GSA is not involved in our billing process. We work directly with C&P. If, in the course of working out whatever new procedures are required by divestiture, we find it necessary to issue an HN we will do so.

3. FYI: We sent a copy of the mailgram to

which we understand is in some cases billed through GSA for certain service.
